PROFILE SUMMARY

Software Engineer passionate about building reliable backend systems and AI-driven solutions for Africa. Experienced in developing RESTful APIs, scalable backend services, and relational databases using **Python, FastAPI, Java, PostgreSQL, and MySQL**. Strong foundation in software engineering, system design, and collaborative development, with a commitment to solving real-world problems through technology.

EDUCATION

University of Rwanda — Kigali, Rwanda
Bachelor of Science in Computer Science

Relevant Coursework: Data Structures & Algorithms, Database Systems, Software Engineering, Web Development

RELEVANT SKILLS

Programming Languages: Python, Java, JavaScript, SQL

Backend: FastAPI, REST APIs, JWT Authentication, API Design

Frontend: React, HTML, CSS, JavaScript

Databases: PostgreSQL, MySQL

Tools: Git, GitHub, Docker, Postman

Languages: English (Professional Working Proficiency), Kinyarwanda (Native)

EXPERIENCE

Backend Developer @ SilverLandTech

January 2026 – Present

- Develop scalable backend services using FastAPI and PostgreSQL.
 - Design and maintain RESTful APIs for business applications.
 - Collaborate with frontend developers to integrate APIs and improve performance.
 - Participate in debugging, code reviews, and backend architecture discussions.
-

PROJECTS

School Management System

- Built a full-stack Java application for managing students, teachers, courses, attendance, and reports.
- Implemented secure authentication using MVC architecture.
- **Technologies:** Java, JSF, Hibernate, MySQL

Portfolio Website

- Developed a full-stack personal portfolio showcasing projects, technical skills, and professional experience.
 - **Technologies:** React, FastAPI, postgresSQL
-

CERTIFICATIONS

Python programming @Cisco Networking Academy

- Completed Python programming course at Cisco Networking Academy

Data Structures and Algorithms @A2SV (Africa to Silicon Valley)

- intensive **Data Structures & Algorithms (DSA)** training with A2SV, strengthening networking knowledge, algorithmic thinking, and problem-solving skills.
